TWIN CITIES ROTARACT CLUB

Description of Committees

Committees and Committee Chairs

A. **Service:** Fosters community and international awareness through ongoing education and volunteerism, consistent with the themes and goals of the club. Typically small one-time community service projects are also scheduled throughout the Rotaract year which has include in past years activities like volunteering at a homeless shelter, painting the interior of a youth shelter and cleaning trash from local parks.

B. **Professional Development:** Even as community leaders, Twin Cities Rotaractors take every advantage of opportunities to learn and grow professionally. Most Rotaract meetings feature a professional speaker, and occasionally the Twin Cities Rotaract Club tours local businesses. This committee is also responsible for our Take a Rotarian to lunch mentoring program where club members can choose from a list of volunteer mentors they would like to meet up with.

C. **Social and Membership:** Of course, what makes this organization so strong are the friendships that form along the way. In addition to the regular business meetings, frequent social activities are planned to increase networking and fellowship for members. Club members attend sporting events, theatre performances and parties together. Once a year, the Twin Cities Rotaract Club hosts a New Member Celebration, a special orientation meeting for new and prospective members. At these events, current members recount the history of the Club, share their experiences and help explain Rotary.

D. **Marketing:** The marketing committee is responsible for the public image of Twin Cities Rotaract. This includes maintaining, developing and updating the Club's electronic communication tools and written materials to strengthen the Rotaract mission within Rotary through direct and social media while attracting new members. This committee also develops any other marketing tools as needed for events. Currently the majority of information is posted through Facebook and on the Club's official website (www.tcrotaract.org).

E. **Grants:** The Grants Committee is responsible for fundraising and putting together a grant to our district and Rotary International in support of our partnering non-profit. Every year the TC Rotaract Club participates or organizes a fundraising event. In the spring, a large fundraising event is typically planned. In the past this has included Murder Mystery Dinners, a Wine Tasting Event and Silent Auctions.

* For more information on committees, contact the committee chair as listed in the Leadership Team section of the website, or the Club President.
